The United States Postal Service hereby provides notice that it is withdrawing nonpublic library reference USPS-MC2013-57/NP2, which it filed on August 22, 2013. Upon further review of the contents of this library reference, the Postal Service discovered that mailer identification numbers and volumes, for customers other than Netflix and GameFly, were inadvertently included in certain excel workbooks. Such information is unrelated to the proceedings in this Docket and the Postal Service did not intend for the additional mailer information to become part of the record. Equivalent files, with the additional mailer information removed, will be submitted later today.
